*A!*

I gave you some bad poop in the previous newsletter about the airport situation in the area. The airport in Groton, CT does NOT have commercial flights. So basically, you either fly into Hartford, CT or Providence, RI. The airport in Providence, RI is the recommended flight option. So the revised travel options are:

- ⇒ **Theodore Francis Green Memorial State Airport** (PVD), in Providence, RI which is about 45 miles from hotel.
- ⇒ **Bradley International Airport** (BDL) in Hartford, CT which is about 60 miles away.
- ⇒ **Train** via **Amtrak** to New London, CT (NLC), 6 miles from hotel.
- ⇒ **Spike's Travel**: Fly to NYC and then train (Amtrak) to New London, CT (NLC), 6 miles from hotel

*Who knows where the action at?*

Φ I was in Charlotte this past weekend at the National General Convention “Theta Sigma style”. I ran into these Theta Sigma brothers (AD, Marlon, Tony, Chuck, & Woody):

Φ My take away from the convention was that... , hmm, I can't put that in writing. I'll try it this way, you not gonna believe... geez, I can't write that either. I'll just wait until we see each other to give you my take on the state of our beloved A-Phi. If you're not an active member, the House need you now, more than ever before!

Φ It was suggested we invite our DP's, Fred Pennington (?), Steve Belford, and Woody. What say you?

Continued from page 1.

*If you mean it like a brother, then say it like a brother!*

I hope you bruh's are communicating amongst yourselves regarding flight details. It's **imperative** to let us know your flight time and arrival point so we can coordinate transportation, and rental car(s) pickup. Of course, you always have the option of doing your own thing, i.e. taxi, rent your own wheels, etc. but let us know that too.

*A-PHI-A!!!!*
