

ALPHA PHI ALPHA FRATERNITY, INC ▪ THETA SIGMA CHAPTER ▪ UNIVERSITY OF FLORIDA ▪ NOV 2015

*I bet your momma didn't tell you about that A-Phi-A.*

Déjà vu, what a “heck of a game!” This “heck of a game” was different from the FL vs TN “heck of a game” I wrote about in the last newsletter. The FL vs TN game was early in the season and we weren’t sure of what to expect. So when we won in the closing minutes it was an ecstatic “heck of a game”. Now we’re in November with a 7-1 record, SEC East championship on the line, and the expectation to beat Vandy easily by 21 points. To only squeak by with a 2 point victory in the closing minutes was a sigh of relief “heck of a game!” Oh well, an ugly win is just as good as a pretty win.

*She didn't tell you 'bout the brothers and their sexy ways.*

Travel reservation made? Check. Lodging reservation made? Check. Secure tickets for Saturday’s game? Check. With 4 brothers locked and loaded ready for the 2-8-9 Anniversary Roadtrip weekend and 2 brothers, that I know of, still riding the fence we’re rounding home plate! If you’re still riding the fence, it’s not too late for you to attend. You can still secure lodging, and tickets are available (we will try to get them as close to us as possible).

*She didn't tell you how they glide to the side so sweet.*

**Lodging:** The group room rate of \$159 is closed, but you can still try if you haven’t secured a room:

Mystic Marriott Hotel & Spa, 625 North Road (Route 117), Groton, CT 06340  
Reservation Call-in Number: (877) 901-6632

Guest Online Reservation Link: <https://resweb.passkey.com/go/reunion289>

In any case, you still can book a room. I think the regular room rate is \$189/night. BTW, if lodging is an issue just contact one of the bruh’s attending, I’m sure you can crash in someone’s room..

Φ I wrote Coach White asking for the team’s schedule while they are in CT because we would like to have a “meet & greet” with them. He hasn’t replied, ironically a day or so after I sent the email, a white van has parked in front of my house 24-7. Hmmm!

Φ The attendance count is now in, each line will be represented during the 2-8-9 Anniversary Roadtrip. The line with the greatest attendance percentage goes to Two The Hard Way!! :)

Φ Frantic. That’s the word head coach Mike White would use to describe the Florida Gators basketball 89-42 Exhibition win over Palm Beach Atlantic (11/5/15). Click [here](#) to read the rest of the story in [www.gatorcountry.com](http://www.gatorcountry.com).

*She didn't tell you they're first of all black Greeks!*

Since this is the last newsletter I will publish, I must say it's been GREAT communicating with you all again! I think I've spoken with most in some form or fashion throughout this process, whether on the phone, email and/or text. As we talked, the words penned by Bro. Abram Simpson in our fraternity hymn "College days swiftly pass, imbued with memories fond..." were always on my mind and heart during our discussions. That is why I'm so looking forward to chopping it up with the bruhs in Connecticut! Definitely wished more of you were attending however I understand we all have grown-up responsibilities that must be handled. So hopefully if, and when, we do this again more of you will be able to attend. Thanks for reading and providing your input to the newsletters and the other forms of communication we had over the past 6 months.

I hope and pray that you and your families have a Happy Thanksgiving, Merry Christmas, and a Happy New Year! As Brother Carl Prioleau so eloquently reminded us during our 40th chapter anniversary, let's not forget we are our brother's keeper!
